

# Sheltie Connection

Newsletter of the Utah Shetland Sheepdog Association  
February 2003    Volume 10 Issue 2    Single Issue \$1.00

## **NEW CLUB LOCATION**

**We will not be meeting at SEPS in the future.  
For the next 3 months, we will be meeting at:**

**Davis County Fair Park - Board Room at  
The Legacy Center in Farmington, UT  
FEBRUARY 19, 2003  
Board meeting 6:00-7:00  
General meeting 7:00 until completed**

There is room to put 22 or so chairs in the room, and it is only 50 feet or so  
inside the building.

It will be quiet and very convenient for us.

We can have our dogs outside on the grass, which is very close,  
for our programs and the parking is also very close and convenient.  
Dogs are okay in the Board Room, too, but not just left to 'roam around on their own',  
which is a fair request.

**COME AND JOIN US!**

We want to thank Eva & Ava Pickering for the use of their facilities these many years.  
Their gracious hospitality has allowed our members and their Shelties to enjoy many  
years together in a nice and comfortable environment. We will all surely miss meeting at SEPS.

Thank you both very much.

## PLEASE WRITE A LETTER TO AKC TO HELP !!

Subject: The Montana Collies

Last night I read with unspeakable sadness the results of a seven day trial to determine whether Athena Lethcoe Harman and Jon Harman were guilty of animal cruelty. Five jurors determined they were not guilty and one guilty, resulting in a mistrial. The County is unsure, as of this writing, if it will request a second trial. Many, many people have given generously of their money, time, and labor to help these animals.

We are not done yet. I am personally asking all of you to write a letter to the American Kennel Club and demand that AKC immediately inspect the records of Athena Lethcoe Harman. Write a personal snail mail letter, not a form letter, not an email. Tell them of your involvement and love of dogs and your intolerance of any dog, but specifically AKC registered dogs owned by the Harmans, suffering abuse and neglect. AKC must act and act now.

As many of you know, I was there. I saw the dogs. There is no doubt in my mind of what I saw. I asked myself how could this happen? I can no longer be indifferent to abused dogs bred, sold and profited from under the umbrella of AKC registration. I am not an animal rightist, I am not an extremist. Many of us, myself included, compete in some form of AKC event, or own an AKC registered dog.

Write: AKC Headquarters, 260 Madison Ave. New York, NY 10016

It's time we voiced our opinion on this situation and demand immediate inspection of her records. You have permission to crosspost.

### Two traveling angels

Keep reading to the bottom of the page -- don't stop at the feet (You'll see).

Two traveling angels stopped to spend the night in the home of a wealthy family.

The family was rude and refused to let the angels stay in the mansion's guest room.

Instead the angels were given a small space in the cold basement.

As they made their bed on the hard floor, the older angel saw a hole in the wall and repaired it.

When the younger angel asked why, the older angel replied,

"Things aren't always what they seem."

The next night the pair came to rest at the house of a very poor, but very hospitable farmer and his wife.

After sharing what little food they had the couple let the angels sleep in their bed where they could have a good night's rest.

When the sun came up the next morning the angels found the farmer and his wife in tears.

Their only cow, whose milk had been their sole income, lay dead in the field.

The younger angel was infuriated and asked the older angel how could you have let this happen?

The first man had everything, yet you helped him, she accused.

The second family had little but was willing to share everything, and you let the cow die.

"Things aren't always what they seem," the older angel replied.

"When we stayed in the basement of the mansion, I noticed there was gold stored in that hole in the wall.

Since the owner was so obsessed with greed and unwilling to share his good fortune, I sealed the wall so he wouldn't find it."

"Then last night as we slept in the farmers bed, the angel of death came for his wife. I gave him the cow instead.

Things aren't always what they seem."

Sometimes that is exactly what happens when things don't turn out the way they should. If you have faith, you just need to trust that every outcome is always to your advantage. You just might not know it until some time later... Some people come into our lives and quickly go.. Some people become friends and stay awhile...

leaving beautiful footprints on our hearts... and we are never quite the same because we have made a good friend!! Yesterday is history. Tomorrow a mystery. Today is a gift. That's why it's called the present! I think this is special...live and savor every moment... This is not a dress rehearsal!
