Well we made it through the Specialty! From every thing I have seen and heard, it was a very big success. It appeared that everyone that was there enjoyed themselves. A HUGE 'Thank You' to all the helped, especially to Cheryl Albrecht for all her hard work! Hard to believe that it is over. Also, thanks to all of you helped and supported the Sheltie Rescue booth. What a wonderful endeavor that is, and they deserve as much

support as we can give them.

Thanks goes out to Holly Bauman for the information she presented at our last meeting on the T-Touch massage techniques. Laurie & I went home and tried it on our dogs, and they seemed to enjoy it. Those that were not there really missed out.

I would like to express my sorrow and sympathy to Marie and Gail Miles at

their loss of their wonderful boy Gordon, and to Julene and Kevin Matthews for their loss of Cody and of Gunner. Having just lost our Shilo, I can really relate to what they are going through (as can most of you).

In closing, I would really like to thank all of you in our club for the support and willingness to help when called upon. Have a fun summer, and love your Shelties!

With Our Deepest Sympathy

Ch Royal Marchwind Flash Gordon, CD Marie & Gail Miles of Hill View Shelties lost their "Gordon" on Wednesday May 25, 2005. Gordon wasn't eating and Marie took him to the vet. They discovered a large tumor in his intestine. When they operated they found that the cancer had spread throughout his body. So little Gordon has gone to the bridge. Gordon was 8 years old and Marie's soul mate.

Marie states

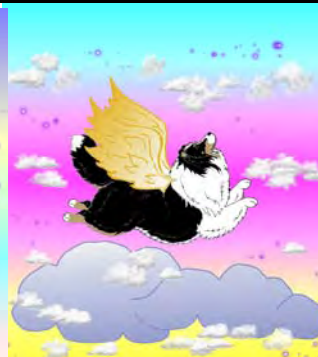

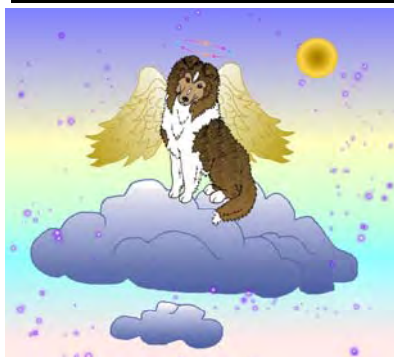

"Thanks to all our dear friends who share in our sorrow. We so appreciate your thoughts, prayers, and words of kindness in this most difficult and sudden loss of our beloved sheltie "Gordon". I can't begin to express my sorrow at this time, but I know with time and the love of friends, family, and other beloved shelties it will get easier. The soul and love Gordon showed was uncanny.....he was my constant "Buddy" and I miss him beyond what you can imagine....."

Love your furry friends like its the last day you may have them, because you never know.....

Gail and Marie - Hill View Shelties

My Best Buddy

On Monday May 23, 2005 Julene and Kevin Matthews—Saltire Shelties— lost their wonderful little Sheltie "Cody",
Julene writes;

Our sweet old Miss Corey Jean, age 14 and a half ate a good breakfast, then lay down to go to sleep and her wings took flight to rainbow bridge to meet us there. Corey was an unassuming little old lady and enjoyed good health in her lifetime. She was a Piano Man Granddaughter and a younger full sister to Cheryl and Doug's "Angie" and "Traveler" for those who remember them. We thank Cheryl for our sweet old girl and knowing she didn't suffer but went to rainbow bridge the way we'd all like to go gives us much comfort. Corey waited until we returned from the Logan show's to leave us and we are happy we were able to be here for her. We will miss her much.

My Gift to Jesus

Submitted by Marie Miles

I wish someone had given little Jesus a dog,
as loyal and loving as mine.

To sleep by His manger and gaze in His eyes and
adore Him for being divine.

As the Lord grew to manhood, His own faithful dog,
would have followed Him all through the day;
While He preached to the crowds and made the sick
well and knelt in the Garden to pray.

It is sad to remember that Christ went away,
to face death alone and apart;

With no tender dog following close behind to
comfort his Master's heart

And when Jesus arose on that Sunday morn, how
happy He would have been;

As His dog kissed His hand and barked in delight
for the one who died for all men!

Well, the Lord has a dog now, I just sent Him mine.
The Old Pal so dear to me.....

And I smile through my tears, on this first day alone,
Knowing they're in eternity.....

USSA Specialty May 20-21, 2005

I really enjoyed the specialty all breed shows this past weekend of May 20th through 22nd in Logan,, The grounds were perfect for our set ups, (Hope to be showing at the same park next year J) I also have to say congratulations to all the winners and the congratulations I received for Reggie" CH. Iona-Wincrest Ambitions Sunday when he won Best of Breed and then on to A GROUP III , Thank you Joanna Adams for handling Reggie in Breed and I'm so thankful I didn't fall apart my first time in the Group ring.

I really enjoyed meeting some Club members that I have not met personally . it is so good to put faces to persons you commune with over the net. Tricia you were a Joy to be around along with Barbara Soderborg and Tomi Hamblin.
Thank You All.

I just wanted to thank your club for hosting such a wonderful specialty. The site is just beautiful. I did specialty, breed and agility. I park on the grounds and they are some of the nicest and most accommodating grounds that I have stayed at. I love the location and it is an easy drive for me to come from Montana.

Hope to see you again next year in Logan!

Best In Specialty Winner

Paramount Shetland Sheepdogs Cont.

We want to express our appreciation to all USSA Club members who helped make the 2005 Specialty a huge success. With everyone coming together and supporting one another we had the best Specialty ever. The raffle was exceptional. Carol, Gene, Judy and Barbara did a great job. They had an enormous selection of very good donated items for all exhibitors to bid on. I think almost everyone came away with something. Following the raffle, the luncheon was a wonderful and welcomed time to relax and visit with each other after the day's showings. The success of the luncheon can again be attributed to the contributions of club members donating salads and desserts to compliment the array of meats, condiments, and drinks. A big thanks to everyone! The show chair, Cheryl Albrecht, and Janet Leiper, the show secretary, did a marvelous job bringing all aspects of this show together in such an outstanding manner. The crystal trophies and the ribbons were spectacular. Thanks again Cheryl and Janet for all your hard work. The judges did an excellent job judging our Shelties and commented on what lovely dogs and bitches were exhibited before them. All the judges commented on how much they enjoyed the Logan show site, stating that it is very clean, beautiful and very conducive for showing the dogs.

Doug and Pam are pleased and excited to make the announcement that Luke (Paramount Make an Impact) lived up to his name and is following in the paw steps of his parents Gabe (Ch. Villagers Silver Screen) and Chrissy (BISS Souvenir -Iona Baby Grand). On Friday, May 20th, under Judge Linda Churchill, Luke won his class, then went on to win Winners Dog. Now for the big surprise--Luke won Best In Specialty Show making it a 5 point major. We were so overjoyed with his outstanding performance. Saturday, May 21st, Luke won his class, but didn't take any points under Judge Daniel Wheatcroft. However, Jan Williams won in the 9-12 month category with her puppy dog (Neahm's Winter Creek Chasing Trouble) and her lovely bitch (Hillstones I Love Trouble). A big congratulation to Jan Williams for her wins. On Saturday, May. 21st and Sunday, May 22nd, at the Mt. Ogden All Breed Show, Luke won under Judges Mrs. Edeltraud Laurin for 2 points and Dr. Carmen L. Battaglia for 2 points and Best of Winners. Luke won a total of 9 outstanding points for the weekend. Gabe, Luke's sire, previously won 8 points at the Blackfoot shows in 2002. We're extremely proud of our two boys!

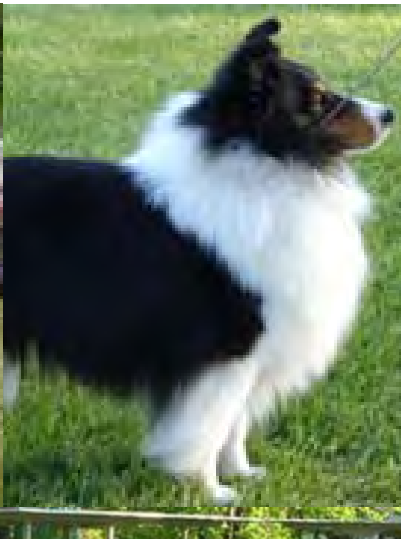

We wouldn't have our gorgeous, elegant Luke if it weren't for Gene and Carol Cowley and our good friend Suzi Beacham. Without Suzi's help and support we could not have achieved this great accomplishment. Knowing we wanted blue in our line, Suzi sold Gabe to us confident we would give him a good home and finish him as a champion. Suzi, a big congratulation to you on your BISS win with Johnny (Ch. Braeleen Let Freedom Ring). We are so happy for you! The Cowley's came to us and wanted to breed Chrissy (BISS Souvenir-Iona Baby Grand) to Gabe. Chrissy won a BISS under Judge Linda Churchill in April 1999 at the Las Vegas Show. We all felt the excellent pedigree of both shelties would produce winners. In his very first time in the ring, Luke took 3rd place in the 6-9 month AOAC Puppy Class at the 2004 Utah National in Ogden, Utah. At that time we knew he had great potential. We let him mature for one year before pursuing further showings. The seminar conducted by Judge Linda Churchill was extremely informative and beneficial to all who attended. Linda repeatedly shared her observations about Luke's beautiful side gait, excellent rear, straight legs, his fluid effortless movement, very lovely arch of neck, and stated he is an extremely solid dog. She also stated that when she first laid eyes on him in the ring she knew he was the dog to beat. Again, a special thank you to Linda Churchill for giving Luke his BISS title. Both mom and son have now won BISS awards, fulfilling all our expectations. Our plans are to finish Luke as a champion and special him. He LOVES to show and perform with Doug in the ring.

Thanks again to everyone for participating in our wonderful Specialty. We look forward to seeing you in the ring!

Iona-Wincrest Ambitions while, Tammy handled her veteran girl, in a large Breed Class. Iona Wincrest Ambitions "Reggie" won Best of Breed, and Tammy was able to show Reggie in the Group, which was her first trek into the Group ring. They made a great team and got a GROUP III.

Shalamars A New Beginning "Tazz"

The most fun I had was when Tazz and I tried pre-novice in obedience. Those that were there know what I mean. Let's just say we had a lot fun! Tazz and I also earned his first title in Rally by taking 2nd place with a score of 92 on Friday, and 4th place on Saturday.....the heat got to him. What a fun time we all had!!

Apple Acres Chain of Command "Reagan"

Reagan took a first place in his class on Friday and a second place on Saturday.

The South Jordan show was very kind to me as Cruiser and Reagan both took first place ribbons in their classes. On Friday, the judge took my cute little Cruiser and placed him fourth in the winner's dog lineup showing me that she really liked him.

The Logan show was also great. Cruiser took first place in his class in Sweeps both days.

Club Meetings

At our May Club meeting, our speaker was Holly Bauman, a friend of Marie Miles. She presented a program on T-Touch massage for dogs and humans. The material was taken from T-Touch by Linda Tellington-Jones. She demonstrated on the audience and we in turn tried it on each other.

"The Tellington -Touch Method offers a way to effectively influence the behavior and character of dogs, as well as their willingness and ability to learn. Unlike many training programs that rely on dominance and submission, the focus is on improving the quality of an animal's life by instilling self-confidence and mutual respect"

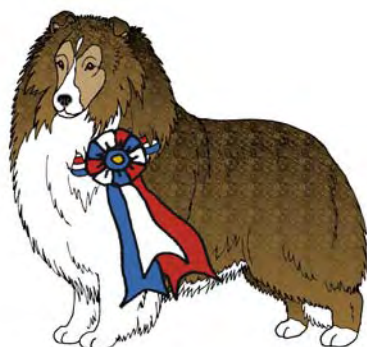

Dale Kendrick — Holly Bauman — Cheryl Albrecht

OUR NEXT CLUB MEETING WILL BE ON JUNE 22, 2005. THIS DATE IS A CHANGE FROM THE SCHEDULED DATE. THE DATE WAS CHANGED TO ACCOMMODATE THOSE THAT ARE GOING TO THE IDAHO SHOWS. THE PLACE HAS ALSO CHANGED. More Sad News

On the short heels of our loss of "Corey Jean", and not a week later, Friday, May 28th we lost our "Gunny" as well. "Gunny" Saltaire Shot In The Dark, was the son of our Corey Jean and Ch. Labelle Toby The Tyrant. He had accrued 9 points toward his championship and innumerable reserve wins prior to his retirement. "Gunny" was a darling little man. You always knew he was there, first to the side of your leg and scrambling to keep everyone else from that spot, his devotion was obvious.

I remember taking him to the Portland Show in January one year. The site there was an expo center right by the freeway. As I attached the flexi leash to his collar and set him on the ground from the car, I realized I hadn't clipped it correctly and there he stood without a leash on. My heart dropped as he figured it out in no short time. I decided at that moment to act as though nothing were wrong and just said "c'mon Gunn, lets go in". He marched right up to the door ahead of me, and in the door he went, down the row of expens to the correct pen set up, in he went and right to the water pan. I was never so grateful for a smart little dog. We know how fast these little dogs can panic and run like heck. Not my Gunny, he was always willing to try to do the right thing.

Gunny was a great little dog. We loved him so much and we'll miss his little face.

It's so hard to see our "kids" get old. We watch their infirmities come on and feel so helpless to stop the march of time. His mom "Corey" held off running on to the Rainbow bridge in order to wait for her son so they could go play with Grandma Hopi, Harley, Nabbie Ann, (my first sheltie) Sweet Pea, and Penny all together with my old Molly Collie watching over them.

I feel lucky We'll have a happy mob waiting for us someday.
How lucky we were to have him and the others in our lives.

Julene and Kevin Mathews

(To Julene and Kevin and Marie and Gail, we all send our warmest condolences and sympathy. We all love you in this time of loss and grieving)
